

ABOUT US

At Comprehensive Care Services we offer a range of practical and personal services to all people who are in need of them. We offer support and assistance to all our clients while allowing them to enjoy the benefits in the comfort of their homes as long as it is possible. We pride ourselves in assisting while helping the client maintain their independence. We value the views, needs and well being of our clients.

SERVICES PROVIDED

Undressing

We are here to offer a helping hand with undressing.

Mobility

We also help our clients move from a to b.

Shower/bath

Bath time may become daunting, we are here to make it a breeze.

Companionship

When all you need is some company, we are here for you.

OUR MISSION

We are here to support you and ensure that we provide each of our clients the best possible care and support to maximise their quality of life while maintaining their independence and personal choices.

Other services we offer :

- Personal care
- Live in care
- Overnight care
- Elderly care
- Children's care
